

PLEASE NOTE:

We have now reached the maximum number of applications we are able to currently accept, and applications are now closed until further notice. You can therefore no longer submit an online application or, print off an application form for posting.

If you have already started an online application, but not yet completed it, unfortunately you will not be able to access the form while applications are closed, however, you will be able to do so when we re-open, so please remember your password in order to access the existing form should you wish to return to it.

Unfortunately we cannot give a specific re-open date at this time, but please visit our website for updates over the coming weeks.

If your needs are more urgent, there is a list of other charities and organisations that may be able to help you, on our 'Useful Links' page.

We apologise for any inconvenience and thank you for your patience.
